

MATER ACADEMY®
SAN ANTONIO

ELEMENTARY PROGRAM 2025

RIGOR: Challenging coursework supported by data-based instruction

Mater Academy San Antonio students follow a challenging course progression from kindergarten through fifth grade, incorporating a Public Service curriculum. This curriculum seamlessly integrates core subject areas through project-based learning, directly connecting students to the community in which the school is situated.

RELEVANCE: Public Service Learning through a Multidisciplinary Project-Based Curriculum

Mater Academy Inc. has a network of experienced mentor instructors, each with extensive content expertise and instructional strategies. These mentors are readily available across the network to provide assistance with curriculum design, development, and implementation.

RELATIONSHIPS: Building Sustainable Systems incorporating all Stakeholders

Mater Academy San Antonio students build community connections, lead student organizations, and gain experience alongside community experts.
